mistic to the I. T. U. Mr. Kohlsaat said he sympathized with trades unionism and would do nothing to antagonize unions, but that in the matter of the Chicago situation, in discussion of which the president's report misquoted him, he must act with the Chicago Publishers' association. The situation referred to is the projected idea of en-deavoring to unionize all the allied printing trades in Chicago, which are at present employing both union and non-union labor in some branches.

Can't Keep the Men.

(Special Correspondence.)

Laramic, Wyo., Aug. 15.—The contractors out on the line of the new cut-offs west of this city are having considerable trouble to keep up their forces to the desired standard. Every day a large number of men quit, being dissatisfied with the work. Recently the contractors raised the wages of all classes of labor 15 cents per day, while the wages for teams was raised 35 per mouth.

furniture man of this city, had a thrilling adventure in New York harbor of Saturday last. With a party of friends

island when the rain fell so heavily that it was impossible to see more than the length of the vessel. Then it was necessary to stop to avoid collisions. The storm increased in fury and soon the unwieldy craft was at the mercy of the heavy seas that surged around her. The passengers became panic-stricken and made a rush for life preservers, one excited man tore away the bars of the rack that held them, and before many of the passengers could reach many of the passengers could reach

of the rack that held them, and before many of the passengers could reach them the wind began sweeping them overboard by the dozen.

The scene on the decks was a wild one. As the steamer would list to one side the terrified passengers would rush to the other, and then that side would almost go under. The crew strove to restore order, but found it a difficult task. To add to the terror several stunchions gave way and it was feared that the vessel would pound to pleces. The steamer drifted for three
